2. **Constitutional Review**

No objections were received to the proposed changes to the constitution, so these have all passed.

HM would like it noted that there was a typo in 50.4.4

The clause currently reads: "In the event that the President Treasurer has been involved in an application they shall arrange for a Committee Member to replace them. In the first instance, this should be an Officer of the Club."

The clause *should* read: "In the event that the President has been involved in an application they shall arrange for a Committee Member to replace them. In the first instance, this should be an Officer of the Club."

3. **Presidential Elections Hustings**

Lucia Revel-Chion makes a speech.

Questions are asked by AR, JM, and AR.

4. **AOB**

None.
